OFFICE OF GENERAL COUNSEL
HEARINGS SECTION**

OIL & GAS DOCKET NO. 7B-0268629

COMMISSION CALLED HEARING TO CONSIDER WHETHER OPERATION OF THE RANGE PRODUCTION COMPANY BUTLER UNIT WELL NO. 1H (RRC ID 253732) AND TEAL UNIT WELL NO. 1H (RRC ID 253729) IN THE NEWARK, EAST (BARNETT SHALE) FIELD, HOOD COUNTY, TEXAS, ARE CAUSING OR CONTRIBUTING TO CONTAMINATION OF CERTAIN DOMESTIC WATER WELLS IN PARKER COUNTY, TEXAS

FINAL ORDER

The Commission finds that, after statutory notice in the above-numbered docket, heard on January 19-20, 2011, the examiners have made and filed a report and proposal for decision, issued on March 11, 2011, containing findings of fact and conclusions of law, which was served on all parties of record, and that this proceeding was duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas.

The Commission, after review and due consideration of the proposal for decision and the findings of fact and conclusions of law contained therein, and any exceptions and replies thereto, hereby adopts as its own the findings of fact and conclusions of law contained therein, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein.

It is accordingly **ORDERED** that production from the Butler Unit Well No. 1H and Teal Unit Well No. 1H, operated by Range Production Company, shall be allowed to continue as Range Production Company has established that the operations of the wells have not caused or contributed, and are not causing or contributing to contamination of any domestic water wells.

Each exception to the examiners' proposal for decision not expressly granted herein is overruled. All requested findings of fact and conclusions of law which are not expressly adopted herein are denied. All pending motions and requests for relief not previously granted or granted herein are denied.

It is further **ORDERED** by the Commission that this order shall not be final and effective until 20 days after a party is notified of the Commission's order. A party is presumed to have been notified of the Commission's order three days after the date on which the notice is actually mailed. If a timely motion for rehearing is filed by any party at interest, this order shall not become final and effective until such motion is overruled, or if such motion is granted, this order shall be subject to further action by the Commission. Pursuant to TEX. GOV'T CODE §2001.146(e), the time allotted for Commission action on a motion for rehearing in this case prior to its being overruled by operation of law, is hereby extended until 90 days from the date the parties are notified of the order.

Done this 22nd of March, 2011.
