*New Field Discoveries are included under oil and gas completions																	
**Drilling Overview includes oil, gas, injection, other completions and dry holes drilled/plugged.																	
Completion data is based on permit validation status on initial filing of completion papers.																	
Re-Completion is workover to separate zone; may include deepen, plugback, sidetrack, workover to successful, workover to Statewide Rule 10 and workover to multiple completion.																	
Injection includes water injection, salt water injection, gas injection, steam injection and disposal.																	
Other includes storage, water supply, service (testing tools, slim hole test, monitor, demonstration, observation, etc.)
