**RE: G. B. MURCHISON TRUST, RULE  
38(d)(3) APPLICATION FOR THE MRS.  
E.K. GLADNEY UNIT NO. 3,  
MALAKOFF, SOUTH (TRAVIS PEAK)  
FIELD, HENDERSON COUNTY, TEXAS**

**FINAL ORDER**

The Railroad Commission of Texas has received and docketed this application under the provisions of Rule 38(d)(3), and makes the following Findings of Fact and Conclusions of Law:

FINDINGS OF FACT

1. G. B. Murchison Trust made application pursuant to Statewide Rule 38(d)(3) for dissolution of the Mrs. E.K. Gladney Unit No. 3 in the Malakoff, South (Travis Peak) Field in Henderson County, Texas.
2. Notice of the application was given to all current lessees and unleased mineral interest owners of each tract within the original and the proposed units, and an opportunity for hearing.
3. No protest of the application was received.
4. Division of the 674.97-acre Gladney Unit into its separate component parts will result in tracts composed of substandard acreage at the time of division.
5. The density requirement for the subject field is 640 acres with a 160-acre option.
6. The 674.97-acre Gladney Unit terminated on August 10, 1970, by means of an Amendment of Declaration of Unit to form the 285.42-acre Gladney Gas Unit from a portion of the original Gladney Unit. However, no Form P-12 (Certificate of Pooling Authority) was ever filed for the revised unit.
7. Applicant seeks to produce the unit well, the Gladney 3LT, in order to recover the hydrocarbons under its 75-acre Gladney Lease; the Gladney Lease was a part of the 674.97-acre Gladney Unit.

CONCLUSIONS OF LAW

1. Timely and sufficient notice of the application was given to all persons legally entitled to notice.
2. The Commission has jurisdiction to decide this matter.
3. Dissolution of the Gladney Unit into its separate component tracts will afford the various interest owners of the former unit with an opportunity to recover their share of the hydrocarbons underlying their respective tracts.

Therefore, under authority of TEX. NAT. RES. CODE ANN. § 85.202 (Vernon 1993) and pursuant to Rule 38(d)(3), it is hereby ordered by the Railroad Commission of Texas that the application of G. B. Murchison Trust for dissolution of the Mrs. E.K. Gladney Unit No. 3 into its separate tracts with the rules of the Commission applicable to each separate tract be and is hereby APPROVED for the Malakoff, South (Travis Peak) Field in Henderson County, Texas.
