\*New Field Discoveries are included under oil and gas completions

\*\*Drilling Overview includes oil, gas, injection, other completions and dry holes drilled/plugged.

Completion data is based on permit validation status on initial filing of completion papers.

**Re-Completion** is workover to separate zone; may include deepen, plugback, sidetrack, workover to successful, workover to Statewide Rule 10 and workover to multiple completion.

**Injection** includes water injection, salt water injection, gas injection, steam injection and disposal.

**Other** includes storage, water supply, service (testing tools, slim hole test, monitor, demonstration, observation, etc.)

**RAILROAD COMMISSION OF TEXAS**  
**Monthly Drilling, Completion and Plugging Summary**  
**Permits Issued for Drilling Activity**  
**May-03**

**Original Permits Issued** does not include amended permits, field transfers or re-class permits.

**Permitted Well Type** is based on primary well type when permit includes multiple well types.

**Injection** includes water injection, salt water injection, gas injection, steam injection and disposal.

**Service** includes testing, monitor, demonstration, observation, brine, etc.

**Other** includes storage, water supply, cathodic protection, etc.
