OFFICE OF GENERAL COUNSEL
HEARINGS SECTION**

OIL AND GAS DOCKET NO. 01-0242072

ENFORCEMENT ACTION FOR ALLEGED VIOLATIONS COMMITTED BY CARDOZA TECHNOLOGIES, INC. (130841), AS TO THE BOWIE -F- (08071) LEASE, WELL NOS. 1 AND 3, BUCHANAN FIELD, CALDWELL COUNTY, TEXAS

FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on August 25, 2005, and that the respondent, Cardoza Technologies, Inc. (130841), failed to appear or respond to the notice. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Cardoza Technologies, Inc. (130841), ("Respondent") was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 (Organization Report), which was returned to the Commission marked "unclaimed."
2. The returned certified receipt containing the Original Complaint and the Notice of Opportunity for Hearing mailed to Respondent's most recent P-5 address was returned to the Commission on July 13, 2005. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On December 23, 2003, Respondent, a Corporation filed an Organization Report with the Commission reporting that its officers consisted of the following individual(s): Simon Cardoza; President.
4. Simon Cardoza, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
5. The violations of Commission rules committed by respondent are related to safety and the control of pollution.

6. Respondent designated itself to the Commission as the operator of Well Nos. 1 and 3 on the Bowie -F- (08071) Lease (“subject wells”/“subject lease”) by filing a Form P-4 (Producer’s Transportation Authority and Certificate of Compliance) with the Commission effective on March 17, 2003.
7. According to Commission records the Respondent’s Form P-5 (Organization Report) became delinquent on December 1, 2004. Respondent paid a fee of \$6,650.00 as its financial assurance at the time of its last P-5 renewal.
8. Well No. 1 ceased production on or before April 2004. Well No. 3 ceased injection on or before August 1999.
9. The subject wells have not been properly plugged in accordance with, and are not otherwise in compliance with, Statewide Rule 14.
10. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject wells. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
11. The estimated cost to the State of plugging the subject wells is \$3,200.00.
12. Commission district office inspections were conducted on November 29, 2004 and January 10, 2005 for the Bowie -F- (08071) Lease. Well Nos. 1 and 3 has casing open to the atmosphere.
13. Maintenance of surface control by wellhead assemblies is necessary to prevent the discharge of oil and gas wastes on the subject lease constituting a hazard to public health and safety because the discharges of oil and gas wastes onto land surface can migrate into surface or subsurface waters.
14. The Respondent has not demonstrated good faith since it failed to plug or otherwise place the subject lease and subject wells in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.

5. Respondent is responsible for maintaining the subject lease in compliance with all applicable Commission rules according to Statewide Rules 14, 58, and 79 and Chapters 89 and 91 of the Texas Natural Resources Code.
6. The documented violations committed by the respondent constitute acts deemed serious, a hazard to the public health, and demonstrate a lack of good faith pursuant to TEX. NAT. RES. CODE ANN. §81.0531(c) (Vernon 2001).
