WELLS, SOUTH FIELD, DUVAL COUNTY, TEXAS

FINAL ORDER

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on March 9, 2006, and that the respondent, Alacia Operating Company (009769), failed to appear or respond to the notice. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

FINDINGS OF FACT

1. Alacia Operating Company (009769), ("Respondent") was given Notice of Opportunity for Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, which was returned to the Commission marked "unclaimed."
2. The returned certified receipt containing the Original Complaint and the Notice of Opportunity for Hearing mailed to Respondent's most recent P-5 address was returned to the Commission marked "unclaimed" on November 31, 2005. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. Deborah Gayle Garcia, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
4. George Raymond Rusling, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
5. The violations of Commission rules committed by respondent are related to safety and the control of pollution.

6. Respondent designated itself to the Commission as the operator of Well No. 1 on the Benavides, Juan (12084) Lease ("subject well"/"subject lease") by filing a Form P-4 (Producers Transportation of Authority and Certificate of Compliance) with the Commission effective on April 1, 1997.
7. Respondent designated itself to the Commission as the operator of Well Nos. 28, 29 and 31 on the Bishop Cattle Co. -F- (07495) Lease ("subject wells"/"subject lease") by filing a Form P-4 (Producers Transportation of Authority and Certificate of Compliance) with the Commission effective on May 1, 2000.
8. Respondent designated itself to the Commission as the operator of Well Nos. 1, 3, 4, 8 and 16 on the Hahl-Southland (01141) Lease ("subject wells"/"subject lease") by filing a Form P-4 (Producers Transportation of Authority and Certificate of Compliance) with the Commission effective on July 1, 1996.
9. According to Commission records the Respondent's Form P-5 (Organization Report) has been delinquent since July 1, 2005. At the time of Respondent's last P-5 filing, Respondent had a \$50,000 Letter of Credit as its financial assurance.
10. Well No. 1 on the Benavides, Juan (12084) Lease ceased production on or before January 2003. Well Nos. 28, 29 and 31 on the Bishop Cattle Co. -F- (07495) Lease ceased production prior to 1993. Well Nos. 1, 3, 4, 8 and 16 on the Hahl-Southland (01141) Lease ceased production on or before March 1994.
11. The subject wells have not been properly plugged in accordance with, and are not otherwise in compliance with, Statewide Rule 14.
12. Usable quality groundwater in the area is likely to be contaminated by migrations or discharges of saltwater and other oil and gas wastes from the subject wells. Unplugged wellbores constitute a cognizable threat to the public health and safety because of the probability of pollution.
13. The estimated cost to the State of plugging the subject wells is \$20,100.00 for Well No. 1 on the Benavides, Juan (12084) Lease, \$7,100.00 for Well Nos.28, 29 and 31 on the Bishop Cattle Co. -F- (07495) Lease and \$7,100.00 for Well Nos. 1, 3, 4, 8 and 16 on the Hahl-Southland (01141) Lease.
14. A Commission district office inspection was conducted on August 1, 2005 for the Benavides, Juan (12084) Lease. The signs or identification required to be posted at the lease entrance and well were missing.
15. Failure to properly identify a well by the posting of the sign required by Statewide Rule 3 has the potential for causing confusion and delay in remedying a violation or emergency and poses a threat to the public health and safety.

16. The Respondent has not demonstrated good faith since it failed to plug or otherwise place the subject leases and subject wells in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
