---

**FINAL ORDER**

The Commission finds that after statutory notice the captioned enforcement proceeding was heard by the examiner on August 14, 2008, and that the respondent, Alco Oil & Gas Co., LLC (011204), failed to appear or respond to the Notice of Hearing. Pursuant to § 1.49 of the Commission's General Rules of Practice and Procedure [Tex. R. R. Comm'n, 16 TEX. ADMIN. CODE § 1.49] and after being duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following findings of fact and conclusions of law.

**FINDINGS OF FACT**

1. Alco Oil & Gas Co., LLC (011204), ("Respondent") was given Notice of Hearing by certified mail, addressed to the most recent P-5 address on the Form P-5 Organization Report, which was signed and returned to the Commission.
2. The returned certified receipt (green card) that was attached to the Original Complaint and the Notice of Hearing mailed to Respondent's most recent P-5 address was signed and returned to the Commission on July 10, 2008. The certified receipt has been on file with the Commission for 15 days, exclusive of the day of receipt and day of issuance.
3. On August 6, 2007, Respondent, filed an Organization Report (Form P-5) with the Commission reporting that its officers consisted of the following individual(s): Ashvin Macarenhas; Manager.
4. Ashvin Macarenhas, was a person in a position of ownership or control of respondent, as defined by Texas Natural Resources Code Section 91.114, during the time period of the violations of Commission rules committed by respondent.
5. The violations of Commission rules committed by respondent are related to safety and the control of pollution.

6. Respondent designated itself to the Commission as the operator of Well No. 136 on the East Holliday Parkey Sand Unit (00963) Lease (“subject well”/“subject lease”) by filing a Form P-4 (Producer’s Transportation Authority and Certificate of Compliance) with the Commission effective on March 1, 2003.
7. According to Commission records the Respondent’s Form P-5 (Organization Report) became delinquent on July 1, 2008. Respondent had a \$250,000.00 cash deposit as its financial assurance at the time of its last P-5 renewal.
8. A Commission District inspection report was conducted on December 28, 2007 for the East Holliday Parkey Sand Unit (00963) Lease. The wellhead was seeping oil onto the ground, affecting an area of approximately 3' x 6' x 1-2" in depth. Follow up inspections conducted on January 17, 2008 and August 12, 2008 noted that there were no remediation efforts at the affected area.
9. No permit has been issued to Respondent for the discharge of oil and gas wastes on or from the subject lease.
10. The unpermitted discharges of oil and gas wastes or other substances or materials on the subject lease constitute a hazard to public health and safety because leaks and spills of oil and produced waters onto soils can migrate into surface water bodies causing contamination or can leach into the ground and percolate through soils into groundwater supplies.
11. The Respondent has not demonstrated good faith since it failed to timely plug or otherwise place the subject lease and subject well in compliance after being notified of the violations by the District Office and failed to appear at the hearing to explain its inaction.
12. The Respondent has a prior history of Commission rule violations including the following docket(s):

Docket No. 09-0247273; Final Order Served: October 9, 2007.
