**ORDER NUNC PRO TUNC**

**DENYING THE MOTION FOR REHEARING**

In conference at its office in Austin, Texas, the Railroad Commission of Texas took up for consideration its Order entered on August 12, 2014, denying Michael R. Feeler's Motion for Rehearing in his application for a commercial permit to dispose of oil and gas waste by injection into a porous formation not productive of oil or gas, in the Geronimo SWD Lease, Well No. 2, John Scott (Grayburg) Field, Reagan County, Texas. The Commission finds that the Order denying Feeler's Motion for Rehearing entered September 16, 2014, incorrectly stated the docket number for the matter. This Order corrects that error.

The Commission has considered on its merit the Motion for Rehearing filed by Michael R. Feeler on August 1, 2014, and the Motion for Rehearing is hereby **DENIED**. All relief requested and not granted is hereby **DENIED**.

Done this 14<sup>th</sup> day of October, 2014.
