TX

### Zip

79066

### Business Phone, Fax

**Email Confidentiality Preference**

No, I request my e-mail address to remain confidential

**Email Address**

[REDACTED]

**Comments concerning proposed rulemakings**

If and when Mother Nature hits us like it does, there is no amount of weatherizing that will prevent the weather from shutting us down. There is no EOP that will help us. All of this is just a burden for us with more administrative expense. As operators we check everything daily and do everything possible to operate.
