NOTICE OF HEARING

Summary of the Proceeding. On December 30, 2015, Texas Gas Service Company (“TGS”), a division of ONE Gas, Inc. (“ONE Gas”), filed with the Railroad Commission of Texas (“Commission”) a Statement of Intent to Increase Rates within the Galveston Service Area (“GSA”) and the South Jefferson County Service Area (“SJCSA”) unincorporated areas (the “Statement of Intent”). In addition to requesting a change in rates, TGS also proposes to consolidate the GSA and SJCSA into a new service area called the Gulf Coast Service Area (“GCSA”). The GSA is comprised of the incorporated areas of Galveston, Jamaica Beach, Bayou Vista, and their associated environs, and the SJCSA is comprised of the incorporated areas of Port Neches, Port Arthur, Nederland, Groves, and their associated environs. The case was docketed as GUD No. 10488.

Contemporaneously with its Statement of Intent, TGS filed a Statement of Intent to Increase Rates with the municipalities retaining original jurisdiction in the GSA and SJCSA (together with the Statement of Intent, and to the extent the Commission acquires jurisdiction over these municipal actions, the “Consolidated Requested Relief”).

On February 22, 2016, the rate case expenses portion of GUD No. 10488 was severed into GUD No. 10496.

NOTICE IS HEREBY GIVEN THAT a public hearing will be held, at the time and place set out below, to consider all issues of fact and law raised in or relevant to TGS’s Statement of Intent

and/or its Consolidated Requested Relief. The issues that may be addressed at the hearing include, but are not limited to, the following:

1. The legality and effect of TGS's Statement of Intent and/or its Consolidated Requested Relief;
2. The justness and reasonableness of all of the utility rates, operations, and services, including the operations of the various applicable tariffs of TGS;
3. The safety, adequacy, efficiency, and reasonableness of services provided by TGS;
4. TGS's compliance with all applicable statutes, rules, orders, duties, direction, or requirements of the Commission, enforced by the Commission, or imposed by the Commission;
5. Whether any changes should be imposed on any existing tariffs;
6. Whether the changes in rates and services proposed by TGS are unreasonably preferential, prejudicial, or discriminatory, are sufficient, equitable, and consistent in application to each class of customer, in compliance with applicable provisions of the Texas Utilities Code;
7. Whether all of TGS's rate base is reasonable and necessary to the provision of safe and reliable natural gas service and whether any amounts collected under an interim rate adjustment tariff or rates schedule filed pursuant to Section 104.301 of the Texas Utilities Code, not previously reviewed and approved, are subject to refund;
8. Whether GSA and SJCSA should be consolidated into the new GCSA;
9. The prudence of capital investment in the GSA and SJCSA;
10. New depreciation rates applicable to general plant in the new GCSA, TGS Division plant, and corporate assets allocated to TGS and the GCSA;
11. Whether the transfer of TGS to ONE Gas is in the public interest; and
