GAS UTILITIES DOCKET NO. 10455

ORDER ON INTERIM APPEALS

On February 1, 2016, Pioneer and ConocoPhillips filed interim appeals pursuant to 16 Tex. Admin. Code § 1.30 with respect to Ruling No. 5 (Ruling on Motions to Set Aside the Challenged Rates) in Examiners' Letter No. 11. In Ruling No. 5, the hearings examiners denied the motions to set aside the challenged rates during the pendency of the rate proceeding.

Having considered Pioneer's and ConocoPhillips' appeals, WTP's response, and Pioneer's Motion for Oral Argument, the Commission has determined that the appeal is meritorious and that the ruling in Examiners' Letter No. 11 on rates to be charged during the pendency of this proceeding should be overruled.

Accordingly, it is **ORDERED** that the appeals of Ruling No. 5 in Examiners' Letter No. 11 are **GRANTED**, and that WTP's rates in effect prior to July 1, 2015, are lawful rates for the duration of this docket unless changed by Commission order.

SIGNED this 8th day of March, 2016.
