

OIL AND GAS DOCKET NO. 08-0282996

APPLICATION OF AMMONITE OIL AND GAS, INC. PURSUANT TO THE MINERAL INTEREST POOLING ACT FOR THE ENERGEN ELMER 33-67 WELL, TWO GEORGES (BONE SPRING) FIELD, WARD COUNTY, TEXAS; AND THE ENERGEN KATH "A" 3-11 WELL, TWO GEORGES (BONE SPRING) FIELD, REEVES COUNTY, TEXAS

ORDER NUNC PRO TUNC

Notice of Open Meeting to consider this Order was duly posted with the Secretary of State within the time period provided by law pursuant to Tex. Gov't Code Ann. Chap. *et seq.* (Vernon 2004 & Supp. 2010). The Railroad Commission of Texas finds that, due to a clerical error, the Amended Final Order entered on March 29, 2016, adopted Conclusion of Law No. 2 contained in this Docket's Proposal for Decision, which incorrectly stated: "Ammonite Oil & Gas Corporation, made a fair and reasonable offer to pool voluntarily to the operator of the proposed units and the Commission is required to dismiss the application pursuant to Texas Natural Resources Code § 102.013(b)." (emphasis added). Instead, Conclusion of Law No. 2 should have stated: "Ammonite Oil & Gas Corporation, made a fair and reasonable offer to pool voluntarily to the operator of the proposed units and the Commission is *not* required to dismiss the application pursuant to Texas Natural Resources Code § 102.013(b)." (emphasis added).

Accordingly, it is **ORDERED** that the Conclusion of Law No. 2 contained in this Docket's Proposal for Decision and the Amended Final Order issued in this proceeding is hereby amended *nunc pro tunc* to reflect that:

The Commission hereby adopts the following corrected Conclusion of Law No. 2, as follows:

Ammonite Oil & Gas Corporation, made a fair and reasonable offer to pool voluntarily to the operator of the proposed units and the Commission is not required to dismiss the application pursuant to Texas Natural Resources Code § 102.013(b).

It is further **ORDERED** by the Commission that this order shall not be final and effective until 25 days after the Commission's order is signed, unless the time for filing a motion for rehearing has been extended under Tex. Gov't Code §2001.142, by agreement under Tex. Gov't Code §2001.147, or by written Commission Order issued pursuant to Tex. Gov't Code §2001.146(e). If a timely motion for rehearing of an application is filed by any party at interest, this order shall not become final and effective until such motion is overruled, or if such motion is granted, this order shall be subject to further action by the Commission. Pursuant to Tex. Gov't Code §2001.146(e), the time allotted for Commission action on a motion for rehearing in this case prior to its being overruled by operation of law is hereby extended until 90 days from the date Commission Order is

signed. All pending motions and requests for relief not previously granted or granted herein are denied.

Done this 7th day of June, 2016, in Austin, Texas.
