The Commission, after review and due consideration of the proposal for decision, the findings of fact and conclusions of law contained therein, and any exceptions and replies, hereby adopts as its own the findings of fact and conclusions of law contained in the proposal for decision, and incorporates said findings of fact and conclusions of law as if fully set out and separately stated herein with the exception of Finding of Fact No. 2 and Conclusions of Law No. 9 and No. 11. It is accordingly ORDERED that, within 30 days from the day immediately following the date this order becomes final, VTEX Energy, Inc. shall:

It is further ORDERED by the Commission that this order shall not be final and effective until 20 days after a party is notified of the Commission’s order. A party is presumed to have been notified of the Commission’s order three days after the date on which the notice is mailed. If a timely motion for rehearing is filed by any party of interest, this order shall not become final and effective until such motion is overruled, or if such motion is granted, this order shall be subject to further action by the Commission. Pursuant to TEX. Each exception to the examiner’s proposal for decision not expressly granted herein is overruled. All requested findings of fact and conclusions of law which are not expressly adopted herein are denied. All pending motions and requests for relief not previously granted or granted herein are denied.
