OIL AND GAS DOCKET NO. 06-0300913

IN RE: TRANSFER OF RECORD OPERATOR FOR THE FARRIS (13811) LEASE, WELL NO. 114, MIDWAY LAKE FIELD, WOOD COUNTY, TEXAS, FROM A. K. P. OIL CO. TO GAITHER PETROLEUM CORPORATION

FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the prior operator of the captioned lease did not respond and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDINGS OF FACT

1. At least ten days notice was given to A. K. P. Oil Co. (Operator No. 000566) and Gaither Petroleum Corporation (Operator No. 292850).

2. A. K. P. Oil Co. is the operator of record for the Farris (13811) Lease, Well No. 114, Midway Lake Field, located in Wood County, Texas.

3. On or about June 28, 2016, the Administrative Law Judge requested in writing that A. K. P. Oil Co. either (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property or (2) request a hearing on the matter on or before July 28, 2016. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

4. A. K. P. Oil Co. has an active Form P-5, and has sufficient financial assurance for its wells in the form of a $25,000.00 cash deposit, which expires on September 30, 2016.

5. Gaither Petroleum Corporation has an active Form P-5 with sufficient financial assurance to acquire the lease and well in dispute.

6. A “good faith claim” is defined in Commission Statewide Rule (15)(a)(5) as “a factually supported claim based on a recognized legal theory to a continuing
possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate.”

7. The subject Commission-recognized lease, the Farris (13811) Lease, Well No. 114, Midway Lake Field, has not reported production since January 2016.

8. Gaither Petroleum Corporation presented three (3) current oil and gas leases as its “good faith claim” to operate the subject property. The current oil and gas leases purport to cover the subject property and were executed on May 1, 2016, for a three (3) year primary term; on November 1, 2013, for a three (3) year primary term; and on November 1, 2010, for a three (3) year primary term.

9. A. K. P. Oil Co. failed to provide evidence that it holds a “good faith claim” to a continuing right to operate the referenced property and also failed to timely request a hearing.

10. A. K. P. Oil Co. does not hold a “good faith claim” to operate the referenced property.

11. Pursuant to TEX. GOV’T CODE §§ 2001.056 and 2001.062(e), A. K. P. Oil Co. and Gaither Petroleum Corporation have waived the opportunity to request a hearing on the matter.

12. Gaither Petroleum Corporation has demonstrated a “good faith claim” to a continuous right to operate the referenced property.

13. The Farris (13811) Lease, Well No. 114, Midway Lake Field, located in Wood County, Texas, should be transferred to Gaither Petroleum Corporation, as operator of record.

2. All things necessary to the Commission attaining jurisdiction have occurred.

3. Resolution of this docket is a matter committed to the jurisdiction of the Commission. TEX. GOV’T CODE §§ 81.051.
4. A. K. P. Oil Co. does not have a “good faith claim” to continue to operate the subject lease and well.

5. Gaither Petroleum Corporation does have a “good faith claim” to operate the subject lease and well.
