IN RE: TRANSFER OF RECORD OPERATOR FOR THE ROBESON UNIT (15027) LEASE, ALL WELLS, HALLIDAY (WOODBINE) FIELD, LEON COUNTY, TEXAS, FROM TAHITI PTRS. ENRGY. SOLUTIONS CORP. TO BURK, NICHOLAS JAMES

FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the prior operator of the captioned lease did not respond and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDINGS OF FACT

1. At least ten days’ notice was given to Tahiti Ptrs. Enrgy. Solutions Corp. (Operator No. 834487), (“Tahiti”), and Burk, Nicholas James (Operator No. 108808), (“Burk”).

2. Tahiti is the operator of record for the Robeson Unit (15027) Lease, All Wells, Halliday (Woodbine) Field, Leon County, Texas.

3. On or about July 5, 2017, Burk submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority requesting transfer of the Robeson Unit (15027) Lease, All Wells, Halliday (Woodbine) Field, Leon County, Texas, from Tahiti to Burk, as operator of record.

4. All Commission correspondence to Tahiti was sent via United States Postal Service 1st class mail to Tahiti’s address of record, as set forth on Tahiti’s most recent Form P-5 Organization Report.

5. All Commission correspondence to Burk was sent via United States Postal Service 1st class mail to Burk’s address of record, as set forth on Burk’s most recent Form P-5 Organization Report.

6. On or about July 7, 2017, the Administrative Law Judge requested in writing that Tahiti either (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property or (2) request a hearing on the matter on or before August 7, 2017. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.
7. Tahiti has an active Form P-5, with adequate financial assurance on file with the Commission.

8. Burk has an active Form P-5 with sufficient financial assurance in the form of a $25,000 cash deposit, which expires on November 30, 2017, to acquire the lease and wells in dispute.

9. A “good faith claim” is defined in Commission Statewide Rule (15)(a)(5) as “a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate.”

10. The Robeson Unit (15027) Lease, All Wells, Halliday (Woodbine) Field, Leon County, Texas, has not reported production since June 2017.

11. The Robeson Unit (15027) Lease, All Wells, Halliday (Woodbine) Field, Leon County, Texas, reported zero production from January 2015 through May 2017.

12. Burk presented a letter from the surface and mineral owners of the subject property stating that the previous oil, gas and mineral lease terminated, and designating Burk as the contractual operator.

13. Tahiti failed to reply to the Administrative Law Judge’s letter dated July 7, 2017, with any documents that it holds a “good faith claim” to a continuing right to operate the referenced property and failed to timely request a hearing.

14. Tahiti does not have a “good faith claim” to operate the referenced property.

15. Pursuant to TEX. GOV’T CODE §§ 2001.056 and 2001.062(e), Tahiti and Burk have waived the opportunity to request a hearing on the matter.

16. Burk has demonstrated a “good faith claim” to a continuous right to operate the referenced property.

17. The Robeson Unit (15027) Lease, All Wells, Halliday (Woodbine) Field, Leon County, Texas, should be transferred to Burk as operator of record.
