This writing expressly notified the
operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

10. No production has been reported on the subject lease since March 2014.

11. Gulf Energy failed to reply to the Administrative Law Judge's letter dated December 11, 2017, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

12. Gulf Energy does not have a "good faith claim" to operate the subject lease.
