FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDING OF FACT

3. On or about January 5, 2018, EOG submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority requesting transfer of the Smith, E.E. Unit Vi (13666) Lease, Well No. 6H, First Shot (Austin Chalk) Field, Gonzales County, Texas, from Omega to EOG, as operator of record.

On or about January 22, 2018, the Administrative Law Judge requested in writing that Omega either: (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property; or (2) request a hearing on the matter on or before February 21, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

7. Omega's Form P-5 is delinquent. Omega had a $50,000.00 letter of credit as its financial assurance at the time of the last Form P-5 annual renewal submission.
8. EOG's Form P-5 is active. EOG has a $250,000.00 bond as its financial assurance.

9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

10. No production has been reported on the subject lease since December 2006.

11. Omega failed to reply to the Administrative Law Judge's letter dated January 22, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

12. Omega does not have a "good faith claim" to operate the subject lease.

13. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), Omega and EOG have waived the opportunity to request a hearing on the matter.

14. EOG now asserts a "good faith claim" to a continuous right to operate the subject lease.

15. The Smith, E.E. Unit Vi (13666) Lease, Well No. 6H, First Shot (Austin Chalk) Field, Gonzales County, Texas, should be transferred to EOG as operator of record.
