RAILROAD COMMISSION OF TEXAS
HEARINGS DIVISION

OIL & GAS DOCKET NO. 09-0310606

FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDING OF FACT

1. At least twenty days' notice was given to Gilliam Partners, L.P. (Operator No. 306115), ("Gilliam"), and Palmer, John LLC (Operator No. 636025), ("Palmer").

2. Gilliam is the operator of record for the Seismotech Monahan "B" (28705) Lease, Well No. 1, Archer County Regular Field, Archer County, Texas.

3. On or about April 9, 2019, Palmer submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority requesting transfer of the Seismotech Monahan "B" (28705) Lease, Well No. 1, Archer County Regular Field, Archer County, Texas, from Gilliam to Palmer, as operator of record.

4. All Commission correspondence to Gilliam was sent via United States Postal Service first-class mail to Gilliam's address of record, as set forth on Gilliam's most recent Form P-5 Organization Report.

5. All Commission correspondence to Palmer was sent via United States Postal Service first-class mail to Palmer's address of record, as set forth on Palmer's most recent Form P-5 Organization Report.

6. On or about June 15, 2018, the Administrative Law Judge requested in writing that Gilliam either (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property or (2) request a hearing on the matter on or before July 16, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

7. Gilliam's Form P-5 is delinquent.
8. Palmer's Form P-5 is active. Palmer has a $50,000.00 letter of credit as its financial assurance.

9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

10. No production has been reported on the subject lease since March 2017.

11. Gilliam failed to reply to the Administrative Law Judge's letter dated June 15, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

12. Gilliam does not have a "good faith claim" to operate the subject lease.

13. Palmer now asserts a "good faith claim" to a continuous right to operate the subject lease.

14. The Seismotech Monahan "B" (28705) Lease, Well No. 1, Archer County Regular Field, Archer County, Texas, should be transferred to Palmer as operator of record.
