The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

**Finding of Fact**

1. At least twenty days' notice was given to United Operating, LLC (Operator No. 877448), ("United"), and WSM (Operator No. 945191), ("WSM").

2. United is the operator of record for the Lozano, Hector C. (08603) Lease, Well Nos. 1, 2, and 3, Kyote Field, Frio County, Texas.

3. On or about April 27, 2018, WSM submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority requesting transfer of the Lozano, Hector C. (08603) Lease, Well Nos. 1, 2, and 3, Kyote Field, Frio County, Texas, from United to WSM, as operator of record.

4. All Commission correspondence to United was sent via United States Postal Service first-class mail to United's address of record, as set forth on United's most recent Form P-5 Organization Report.

5. All Commission correspondence to WSM was sent via United States Postal Service first-class mail to WSM's address of record, as set forth on WSM's most recent Form P-5 Organization Report.

6. On or about May 2, 2018, the Administrative Law Judge requested in writing that United either: (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property; or (2) request a hearing on the matter on or before June 3, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

7. United's Form P-5 is delinquent. United had a $50,000.00 as its financial assurance at the time of the last Form P-5 annual renewal submission.
8. WSM's Form P-5 is Active-Ext. WSM has a total of $50,000.00 as its financial assurance, $10,000.00 is a cash deposit and a $40,000.00 letter of credit.

9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

10. No production has been reported on the subject lease since October 2015.

11. United failed to reply to the Administrative Law Judge's letter dated May 2, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

12. United does not have a "good faith claim" to operate the subject lease.

13. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), United and WSM have waived the opportunity to request a hearing on the matter.

14. WSM now asserts a "good faith claim" to a continuous right to operate the subject lease.

15. The Lozano, Hector C. (08603) Lease, Well Nos. 1, 2, and 3, Kyote Field, Frio County, Texas, should be transferred to WSM as operator of record.

4. United does not have a "good faith claim" to continue to operate the Lozano, Hector C. (08603) Lease, Well Nos. 1, 2, and 3, Kyote Field, Frio County, Texas.

5. WSM does have a "good faith claim" to continue to operate the Lozano, Hector C. (08603) Lease, Well Nos. 1, 2, and 3, Kyote Field, Frio County, Texas.
