FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDING OF FACT

1. At least twenty days' notice was given to Oil Management Corporation (Operator No. 620480), ("Oil Management"), and North Fork Petroleum, LLC (Operator No. 613801), ("North Fork").

2. Oil Management is the operator of record for the Coble "C" (03566) Lease, Well Nos. 1, 2, 3, 5W, 7W, 8, 9WS, and 10W, Levelland Field, Hockley County, Texas.

3. On or about July 20, 2018, North Fork submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority requesting transfer of the Coble "C" (03566) Lease, Well Nos. 1, 2, 3, 5W, 7W, 8, 9WS, and 10W, Levelland Field, Hockley County, Texas, from Oil Management to North Fork, as operator of record.

4. All Commission correspondence to Oil Management was sent via United States Postal Service first-class mail to Oil Management's address of record, as set forth on Oil Management's most recent Form P-5 Organization Report.

5. All Commission correspondence to North Fork was sent via United States Postal Service first-class mail to North Fork's address of record, as set forth on North Fork's most recent Form P-5 Organization Report.

6. On or about August 8, 2018, the Administrative Law Judge requested in writing that Oil Management either (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property or (2) request a hearing on the matter on or before September 9, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.
7. Oil Management’s Form P-5 is delinquent. Oil Management had a $50,000.00 bond as its financial assurance at the time of the last Form P-5 annual renewal submission.

8. North Fork’s Form P-5 is active. North Fork has a $25,000.00 letter of credit as its financial assurance.

9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

10. No production has been reported on the subject lease since November 2016.

11. Oil Management failed to reply to the Administrative Law Judge's letter dated August 8, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

12. Oil Management does not have a "good faith claim" to operate the subject lease.

13. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), Oil Management and North Fork have waived the opportunity to request a hearing on the matter.

14. North Fork now asserts a "good faith claim" to a continuous right to operate the subject lease.

15. The Coble "C" (03566) Lease, Well Nos. 1, 2, 3, 5W, 7W, 8, 9WS, and 10W, Levelland Field, Hockley County, Texas, should be transferred to North Fork as operator of record.
