FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDING OF FACT

1. At least twenty days' notice was given to Peterson Oil and Gas LLC (Operator No. 658440), ("Peterson"), and Porosity Oil LLC (Operator No. 671442), ("Porosity").

2. Peterson is the operator of record for the Johnson "AN" (30696) Lease, Well No. 1, Johnlaw (Yates) Field, Pecos County, Texas.

3. On or about September 27, 2018, Porosity submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority requesting transfer of the Johnson "an" (30696) Lease, Well No. 1, Johnlaw (Yates) Field, Pecos County, Texas, from Peterson to Porosity, as operator of record.

6. On or about October 9, 2018, the Administrative Law Judge requested in writing that Peterson either (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property or (2) request a hearing on the matter on or before November 10, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

7. Peterson's Form P-5 is active. Peterson has a $50,000.00 cash deposit as its financial assurance.
8. Porosity's Form P-5 is active. Porosity has a $50,000.00 letter of credit as its financial assurance.

9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

10. Peterson failed to reply to the Administrative Law Judge's letter dated October 9, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

11. Peterson does not have a "good faith claim" to operate the subject lease.

12. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), Peterson and Porosity have waived the opportunity to request a hearing on the matter.

13. Porosity now asserts a "good faith claim" to a continuous right to operate the subject lease.

14. The Johnson "an" (30696) Lease, Well No. 1, Johnlaw (Yates) Field, Pecos County, Texas, should be transferred to Porosity as operator of record.
