NOTES APPLICABLE TO TABLE OF RATES

Note 1: The Origin (“Origin”) for this Tariff is the inlet flange to the Carrier Facilities located in Colorado City, Texas or Midland, Texas. “Carrier Facilities” means, collectively, the pipeline and associated facilities and improvements, whether owned or leased by BridgeTex Pipeline Company, LLC (“Carrier”), to transport Crude Petroleum from the Origin to the Destination.

Note 2: The Destination (“Destination”) for this Tariff is the Houston Gulf Coast area, which includes any of the following delivery points that are connected to and capable of receiving Crude Petroleum from Carrier’s pipeline facilities:

- (a) **East Houston:** That certain delivery location into Carrier’s tankage at Magellan’s East Houston Terminal located at 7901 Wallisville Road, Houston, Texas.
- (b) **Speed Junction:** That certain delivery station located at the connection point with third party facilities at 1313 W. Pasadena Freeway, Pasadena, Texas 77506. Delivery to the third party facilities of Houston Fuel Oil Terminal Company at Speed Junction is subject to the special handling charges in Magellan Crude Oil Pipeline Company, L.P.’s currently effective Texas No. 7.
- (c) **Genoa Junction:** That certain delivery station located at the connection point with third party facilities, approximately 5.6 miles due south of Speed Junction. Delivery to the third party facilities

of Exxon and Seabrook at Genoa Junction is subject to the special handling charges in Magellan Crude Oil Pipeline Company, L.P.'s currently effective Texas No. 7.

- (d) **Texas City:** Those certain delivery stations in the Texas City, Texas area, which provide direct access to Valero's Texas City Refinery and Marathon's Texas City refineries.

Note 3: Incentive rates and terms are available to shippers that execute an agreement with Carrier for a committed volume and term ("TSA"). The "Local/Uncommitted Shipper Rates" set forth in the Table of Rates apply to those shippers that have not entered into a TSA.
