FINAL ORDER

The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

FINDING OF FACT

1. At least twenty days’ notice was given to OTEX Resources LLC (Operator No. 628135), ("OTEX"), and American Patriot Operating Corp. (Operator No. 018883), ("American Patriot").

2. OTEX is the operator of record for the Busch, H. (16030) Lease, Well Nos. 3 B, 4 B, 5 B, 6 B, 7 B, 8 B, and 11 B, Goose Creek Field, Harris County, Texas.

3. On or about November 28, 2018, American Patriot submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority and a Commission Form P-6 Request for Permission to Subdivide or Consolidate Oil Lease(s) requesting transfer of the Busch, H. (16030) Lease, Well No. 8 B, Goose Creek Field, Harris County, Texas, from OTEX to American Patriot, as operator of record.

4. All Commission correspondence to OTEX was sent via United States Postal Service first-class mail to OTEX's address of record, as set forth on OTEX's most recent Form P-5 Organization Report.

5. All Commission correspondence to American Patriot was sent via United States Postal Service first-class mail to American Patriot's address of record, as set forth on American Patriot's most recent Form P-5 Organization Report.

6. On or about December 11, 2018, the Administrative Law Judge requested in writing that OTEX either: (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property; or (2) request a hearing on the matter on or before January 10, 2019. This writing expressly notified the operator...
that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.

7. OTEX's Form P-5 is delinquent. OTEX had a $50,000.00 bond as its financial assurance at the time of the last Form P-5 annual renewal submission.

8. American Patriot's Form P-5 is active. American Patriot has a $50,000.00 bond as its financial assurance.

9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

10. No production has been reported on the subject lease since January 2017.

11. OTEX failed to reply to the Administrative Law Judge's letter dated December 11, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

12. OTEX does not have a "good faith claim" to operate the subject lease.

13. Pursuant to TEX. GOV'T CODE §§ 2001.056 and 2001.062(e), OTEX and American Patriot have waived the opportunity to request a hearing on the matter.

14. American Patriot now asserts a "good faith claim" to a continuous right to operate the subject well.

15. The Busch, H. (16030) Lease, Well No. 8 B, Goose Creek Field, Harris County, Texas, should be transferred to American Patriot as operator of record.

4. OTEX does not have a "good faith claim" to continue to operate the Busch, H. (16030) Lease, Well No. 8 B, Goose Creek Field, Harris County, Texas.

5. American Patriot does have a "good faith claim" to continue to operate the Busch, H. (16030) Lease, Well No. 8 B, Goose Creek Field, Harris County, Texas.
