The Commission finds that after notice and opportunity for hearing, the operator of the captioned lease did not respond, and the docket proceeded as a default. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

**Findings of Fact**

1. At least twenty days' notice was given to Amerril Energy LLC (Operator No. 019786), ("Amerril"), and J.F.W. Equipment, Inc. (Operator No. 427617), ("J.F.W.").

2. Amerril is the operator of record for the Ward, Elmer (02907) Lease, Well No. 1, Pleasant Ridge (Woodbine) Field, Leon County, Texas.

3. On or about October 29, 2018, J.F.W. submitted to the Commission a Form P-4 Certificate of Compliance and Transportation Authority requesting transfer of the Ward, Elmer (02907) Lease, Well No. 1, Pleasant Ridge (Woodbine) Field, Leon County, Texas, from Amerril to J.F.W., as operator of record.

4. All Commission correspondence to Amerril was sent via United States Postal Service first-class mail to Amerril's address of record, as set forth on Amerril's most recent Form P-5 Organization Report. The correspondence was returned. Commission records indicate a "set hold on mail."

5. All Commission correspondence to J.F.W. was sent via United States Postal Service first-class mail to J.F.W.'s address of record, as set forth on J.F.W.'s most recent Form P-5 Organization Report.

6. On or about November 7, 2018, the Administrative Law Judge requested in writing that Amerril either: (1) provide evidence that it holds a good faith claim to a continuing right to operate the referenced property; or (2) request a hearing on the matter on or before December 6, 2018. This writing expressly notified the operator that failure to timely request a hearing would constitute waiver of the opportunity to request a hearing on the matter.
7. Amerril's Form P-5 is delinquent. Amerril had a $650,000.00 bond as its financial assurance at the time of the last Form P-5 annual renewal submission.

8. J.F.W.'s Form P-5 is active-ext. J.F.W. has a $25,000.00 bond as its financial assurance.

9. A "good faith claim" is defined in Commission Statewide Rule (15)(a)(5) as "a factually supported claim based on a recognized legal theory to a continuing possessory right in the mineral estate, such as evidence of a currently valid oil and gas lease or a recorded deed conveying a fee interest in the mineral estate."

10. No production has been reported on the subject lease since August 2015.

11. Amerril failed to reply to the Administrative Law Judge's letter dated November 7, 2018, with any documents that it holds a "good faith claim" to a continuing right to operate the subject lease and failed to timely request a hearing.

12. Amerril does not have a "good faith claim" to operate the subject lease.

13. J.F.W. now asserts a "good faith claim" to a continuing right to operate the subject lease.

14. The Ward, Elmer (02907) Lease, Well No. 1, Pleasant Ridge (Woodbine) Field, Leon County, Texas, should be transferred to J.F.W. as operator of record.

**CONCLUSIONS OF LAW**

1. Proper notice of hearing was timely issued to appropriate persons entitled to notice.

5. J.F.W. does have a "good faith claim" to continue to operate the Ward, Elmer (02907) Lease, Well No. 1, Pleasant Ridge (Woodbine) Field, Leon County, Texas.
