The Commission finds that after notice and opportunity for hearing, upon agreement of the parties, the docket proceeded to final order. The proceeding having been duly submitted to the Railroad Commission of Texas at conference held in its offices in Austin, Texas, the Commission makes the following Findings of Facts and Conclusions of Law.

10. No production has been reported on the subject lease since August 2014.

11. Texas Enhanced Oil replied to the Administrative Law Judge's letter dated March 18, 2019, with a letter stating that it did not wish to contest Big Creek’s good faith claim, agreed to a waiver of its right to a hearing, and stated that has agreed to the transfer of the Lease.

12. Texas Enhanced Oil does not have a "good faith claim" to operate the subject lease. See Final Order in Oil & Gas Docket No. 06-0306357.

13. Pursuant to TEX. GOV’T CODE §§ 2001.056 and 2001.062(e), Texas Enhanced Oil and Big Creek have waived the opportunity to request a hearing on the matter.

14. Big Creek now asserts a "good faith claim" to a continuous right to operate the subject lease.
