Explanation of Reference Marks	
Reference Mark	Explanation
(1)	Discounted Rates are available for shippers that are willing to commit to minimum term and volume and/or revenue commitments. In order to facilitate the efficient transportation of petroleum crude & condensate supplies from producing fields in Texas to Texas markets with high demand for those supplies, volume and/or revenue commitments can be based on a shipper's own volumes or an aggregation of volumes
[N](2)	<u>[N]Services from these Origin Points and/or Destination Points are only available until November 30, 2023 and then will automatically terminate</u>
