Satisfactory evidence may be required by Company showing that necessary facilities are available for delivering shipments at origin and receiving shipments at destination before any obligation to furnish transportation shall arise.
4.	MINIMUM TENDER Petroleum Products will be accepted for transportation only where there has been tendered by the shipper or consignor a quantity of Petroleum Products of the same kind, quality, and characteristics of no less than 50 Tons consigned to one consignee.
5.	APPORTIONMENT WHEN TENDERS ARE IN EXCESS OF FACILITIES When there is tendered to Company, for transportation, a quantity of Petroleum Products greater than can be currently transported, the transportation furnished by Company shall be apportioned among all shippers in proportion to the amounts tendered by each; provided, no tender for transportation shall be considered beyond the amount which the shipper requesting the shipment will have on hand accessible to and ready for shipment by Company.
