The Fee will be escalated January 1, and each 12 Months thereafter by 2.5% compound. Aid in Construct. Producer agrees to reimburse Gatherer for (a) 100% of the costs incurred (which would include any interest and cost of capital, direct or indirect labor costs, benefits, bonuses, travel costs, and direct or indirect third party costs incurred) to construct the Receipt Point(s) and the pipelines, meters, and other facilities associated with or related to the connection of the Dedicated Interests to the Receipt Point(s) and the Receipt Point(s) to the Gathering System, and (b) Producer's pro rata share of 100% of costs incurred by Gatherer to install any future compressor units or to perform facility upgrades made to the Gathering System which may be required in the sole reasonable discretion of the Gatherer, for Gatherer to perform its obligations under this Contract. The installation plans, component specifications, and cost estimate for such construction or upgrade to be completed will be determined by Gatherer, in Gatherer's sole discretion.
