

2022 NEW CONSTRUCTION REPORTS

This file is continuously updated as PS-48 new construction reports are received. Complete through December 27, 2022. If a T-4 permit number is listed as 01234 or 55555, it is not yet permitted or added to an existing permit. If the number is 99999, the system is distribution, which does not require a permit. If the number is 66666, the system is a breakout tank. Typos corrected as discovered.
