Individuals who submit a properly completed application, filing fee and the following documentation will receive a DOT Cylinder Filler Certificate Exemption:

- A legible copy of their PERC certificate of completion for the Dispensing Propane Safely - Small Cylinder course
- A copy of their transcript listing the Filling Cylinders by Weight examination
- The certificate and transcript must have a completion date after July 18, 2022 and within six months of the date the LPG Form 16P is submitted
- A legible copy of a state-issued identification card, including a photo, or driver's license

CERTIFICATION: I certify that I completed the PERC Dispensing Safely - Small Cylinder course and Filling Cylinders by Weight examination. I have read section 9.20 of the Railroad Commission's *LP-Gas Safety Rules* and will comply with the following sections when filling DOT cylinders:

- §9.135, relating to Unsafe or Unapproved Containers, Cylinders, or Piping)
- §9.136, relating to Filling of DOT Containers)
- §9.137, relating to Inspection of Cylinders at Each Filling
- §9.141(d) and (g), relating to Uniform Safety Requirements); and
- the entry for NFPA 58 §7.4.3.1 in Figure §9.403, relating to Sections in NFPA 58 Not Adopted by Reference, and Adopted with Changes or Additional Requirements

I understand the exemption does not allow me to fill containers mounted on vehicles for motor or mobile fuel. I understand that the exemption accrues only to me and is non-transferable.
