- Replacement of existing pipe
- Relocated pipeline facilities
- Sour Gas regardless of length
- New Transmission 1 mile or greater

New Construction Applicability (2 of 2)

- New, relocated, or replaced distribution is 3 miles or greater
- All distributions requiring a new system ID
- Required to be submitted 30 or 60 days from the start of construction
- For single systems, submit through PIPES
- Monthly reports (distribution/multiple segments) are submitted through PS-48reports@rrc.texas.gov

What is RAMP?

RRC Access Management Process

- Security portal to access RRC online applications
- RAMP access is handled by the RRC Security Team
- RAMP accounts have a single set of sign-in credentials

RAMP LOGIN

RRC SIGN IN

SIGN IN

[Forgot Password](#)

For further assistance, or if you have any questions, contact the RRC at RROnline-Security@rrc.texas.gov.

For the best experience accessing RAMP, please bookmark: <https://ramp.rrc.texas.gov/enduser/?realm=/RAMP/>

RRC SIGN IN

The RRC Sign In allows authorized users to electronically file permit applications, forms and documents with and submit fees, penalties and other payments to the Railroad Commission of Texas (RRC).

ACCEPTABLE USE POLICY

Unauthorized access to this computer system is prohibited. Evidence of criminal liability will be provided to law enforcement agencies. This system is subject to monitoring and stored data may be accessed and recorded. Anyone using this system consents to monitoring and should have no expectation of privacy except as otherwise provided by applicable privacy laws. Use of this system indicates your acknowledgement of and consent to comply with the agency's [security policies](#).

ACCESSIBILITY

The RRC is committed to making its website and applications accessible to all users. For more information on accessibility, reference the agency's [Accessibility Policy](#).
